MUSIC CAFÉ IN THE CONSERVATORY AT WYREENA

VINCE BROPHY
TONI MCDONALD & CORA BROWNE
FRIDAY 29 MAY: 7.30 to 9.30pm

Vince Brophy's new CD, "Brophy's Road", highlights songs that have been waiting a long time to be recorded. The "Rock Road" to Dublin is a song he grew up with in his Irish family. The familiarity of that story still resonates with him today in his Australian home. He has travelled many miles, listened to many stories and seen the world changing; this has forced pen to write and music to play. His music is about the journeys we take and the moves we make.

Vince has appeared several times in the Wyreena Music Café playing to a full house, so please book early to experience the music and stories as sung and told by Vince, Toni & Cora — be a part of the journey!

Adults: \$25.00 pp Children under 14: \$15.00 pp
